Language Translation

You need to communicate in a variety of languages and cultures. Global Multilingua Services can help you bridge the cultural and language gap. Global Multilingua Services will extend your reach with translation services and guidance in navigating international social customs. Our language translation services are offered in over 20 different world languages.

We have a specialized team of experienced professional translators who translate only into their own mother tongues. Most of them have degrees in a specialized domain of knowledge and in the translation profession.

We are known for our praiseworthy attributes that include:

- ☞ Delivery of quality & accurate work by trained and experienced native speakers.
- ☞ Cost effective pricing which includes proof reading without any hidden charge.
- ☞ On-time delivery without compromising the quality.
- ☞ Customized and comprehensive services are offered according to requirement.
- ☞ Maintain the Confidentiality of your documents.
- ☞ Transparent cost which does not include any hidden cost.

Language Interpretation

Global Multilingua Services is an emerging company in interpretation service. We provide experienced interpreters of major languages. Our interpreters are professional linguists with great fluency in many languages. And they are not only experienced but also reliable and are pleasant to work with.

We are able to advise you on the best approach for your project. Whether over the telephone or in person, we are always available to handle your project. Global Multilingua Services works to the highest standards of professionalism and quality in the Translation, Interpretation and Localization industry. This means our clients can rely on our outstanding results.

Our qualified interpreters provide you with:

- ☞ Telephonic interpretation Service.
- ☞ Escort interpretation
- ☞ Consecutive Interpretation
- ☞ Simultaneous Interpretation

Language Training

Global Multilingua Services provides language training programs for corporate and government employees, spouses and children. Our professional classes provide the skills essential to working with people in the U.S. or adjusting to life abroad.

This is essential for big corporate & organizations to be aware of local cultures in order to localize their products for each individual market. This can be effectively accomplished by taking advantage of our language training services. We are relentless and stubborn in providing our clients with language training services that are superior, allowing them to develop the multicultural business skills they need for the success of their business endeavours.

At Global Multilingua Services, we help you learn what you need to know in the time you have to learn it. Our professional language instructors provide instruction anywhere in the world, at the preferred location of the client.
